Peer Review for Microsoft Power BI

"Exploring Power BI's Speed And Complex Data Handling"

Submitted Jun 10, 2024

5.0 ★★★★★ Overall User Rating

Product(s): Microsoft Power BI

Overall Comment:"Power BI is a powerful tool for complex data iterations and data visualisations"

4	Evaluation & Contracting	5	Integration & Deployment
5	Service & Support	5	Product Capabilities

Lessons Learned

What do you like most about the product or service?

It is extremely fast and can process a large dataset. It has high analytics capabilities

What do you dislike most about the product or service?

It is not user friendly. The interface is a bit tricky. The visuals can be better and more appealing. Huge learning curve
